To Start: Insert hook into fifth st of either side of the base (long end) of the tree body, pull through your yarn. You'll have one loop on your hook.

Row 1: Ch 1 then sc into the same st. Sc in next 4 sts.

Row 2: Ch 1, turn; Hdc in each st across.

Rows 3-8: Repeat Row 2. (You can always adjust the number of rows to your liking)

Fasten off & weave in ends.

Hanging Loop

Chain 40; Join in first ch with a sl st to make a circle.

Attach to the back of tree body using tail of yarn.

Decorate with buttons, beads, or scrap yarn.

I just happened to have some super cute Christmas buttons on hand.
